LEAVE YOUR

AND PAVE THE WAY
FOR FUTURE STUDENTS.

These bricks are like well-worn pages telling the history of IC. Generations of students have carved their initials in the brick, leaving their mark on one of the most iconic buildings on our campus.

Now you can follow in the tradition of etching your name on campus. Leave your legacy or honor someone from the IC community and inspire today's students with a lasting reminder of those who came before them.

Purchasing an engraved brick in the heart of Historic Upper Quad is a great way to honor your time at Illinois College or a special team, organization, family member, professor or someone else who made a difference in your life at the College.
